

AMA iPACE™ Retreat  
Friday, November 17, 2023  
Maine Medical Center  
Dana Auditorium

**We Are Better Together!**  
**Building robust learning health systems by strengthening team relationships.**

**Goals:**

- ❖ Celebrate and promote interprofessional team healthcare delivery and education as a cornerstone of patient-centered care
- ❖ Present iPACE™ project updates
- ❖ Foster a system-wide iPACE™ collaborative community to share best practices and celebrate successes

**Keynote learning objectives: After participating in this session, attendees should be able to:**

- ❖ Understand both the value and the challenges to achieving high performing interprofessional teams in the clinical environment
- ❖ Recognize the key role of trust and professional identity formation for high performing interprofessional teams
- ❖ Learn from exemplars of interprofessional education and collaborative practice which support trusting relationships and outstanding educational experiences
- ❖ Appreciate the importance and value of education as a central role for sustaining a redesigned health care delivery practice and value system
